Projects

Resturant Website

A responsive multi-page restaurant website featuring menu sections, image gallery, contact form, and smooth UI design. Focused on clean layout and mobile-friendly user experience..

Quiz Website

Developed an interactive quiz platform with user login, score calculation, and real-time result storage in a MySQL database.

Student Management System

Built a web-based system to manage student records, including add/update/delete and secure data handling with CRUD operations.

Portfolio Website

Created a clean personal portfolio website to showcase projects, technical skills, and professional profile with responsive design.
